police to give her pants he then stated they picked everything up she ran through the woods, Tiff yelling to my friend when she came out of the house that he did something to me I didn't want to do and you guys work for him and ran in the woods. He said I was scared Tiff and then picked up the black pants he stated were Lauren's and put them back at the bottom of the steps behind a blue and white cooler that had a yard décor on top. I stated to Mr. Allen if he didn't report pants I would he went to court 10/21/2019 and came home saying your my wife my lawyer said you can't testify against me and I'm good. Her character and mine I'm great in front of my daughter again. Saying Lauren is a ho and all I have do is pull the cameras to show I showed her no attention and she is always at bars every night and is a down low ho. Also ask me more than once to call Lauren Deal and ask her to think I'll lose my insurance and can't fight stage four cancer and if I die there all my kids have to stop this shit. She knows he didn't hurt her he was talking shit about her being fat and how drunk he was and his dick could not get hard that's why and cause on one was alone with her but me Morgan and she thinks I have money. He also asked me to contact Jolyandia Addock to beg Lauren to not ruin his life she knows he didn't do anything to her. Mr. Allen also when I first talked to Morgan Allen 10/19/2018 saying her dad went to jail she said mom he was being twitchy and turned all the upstairs lights off and came down and said I'm just gone to chill at house and I'm leaving someone's stuff on porch cause I don't feel like dealing with them. She said seconds later she said dad someone knocking on the door he said maybe my daughter stated dad tell me what you did or I can't protect you. He said I brought a girl Lauren back and she is saying I raped her. I thought she stated Steve called seconds before the cops arrived he hide telling Morgan the cop said I couldn't come later she stated he ask her to go she said no and waited for McDonalds cause Ben told her he was coming home. Carolenia Taylor picked my daughter up 10/19/2019 around 11pm. Mr. Allen keeps texting Morgan and me about the case and want stop asking her to move home his lawyer says she is fine to move home. I have blocked his number she continues to unblock and threaten to run away because she will not turn on her dad.
